+ ABOUT ME

Here's a professional summary tailored to your profile: **Professional Summary** I am a dedicated and results-oriented IT professional with a strong foundation in software engineering and information technology. Currently pursuing a second year of an **HND in IT** at SLIATE, I possess comprehensive skills in programming, web development, database management, and software design. With expertise in languages like Python, Java, C#, and PHP, alongside hands-on experience in frameworks such as Laravel and Spring Boot, I excel in developing innovative and efficient solutions. My proficiency in UI/UX design, WordPress, and modern web technologies enables me to create user-friendly and visually appealing applications. Adept at problem-solving and teamwork, I am passionate about leveraging my technical and creative skills to contribute to impactful IT projects and drive organizational success. Let me know if you'd like further refinements!

+ EDUCATION

- B/Keppetipola M.V
SOME COLLEGE (NO DEGREE)
- SLIATE
Badulla
HIGHER NATIONAL DIPLOMA 2025

I am Tharindu Gamaga, an ambitious student with a strong academic background in software engineering and information technology. Am in my second year of the **Higher National Diploma in Information Technology (HND IT)** at SLIATE. My educational journey has equipped me with comprehensive knowledge in programming, web development, database management, and software development methodologies. I am passionate about applying these skills to real-world projects and continuously advancing my technical expertise to excel in the field of IT and software engineering.
